Introduction

Men's Physique was officially recognized as a new sport discipline by the IFBB Executive Council and IFBB Congress on November 11, 2012 (Guayaquil, Ecuador). The Men's Physique division is aimed at men who prefer to develop a less muscular, yet athletic and aesthetically pleasing physique.

General:

The IFBB ELITE PRO Rules for Men's Physique consist of regulations, policies, directives and decisions intended to guide the IFBB ELITE PRO and its Members in the administration of the sport of Men's Physique.

Rules:

Certain administrative and technical rules that appear in Section 1: General Rules are the same for Men's Physique and therefore, are not repeated in this section.

Categories

Men's Physique categories at the IFBB ELITE PRO Competition are open in the following two categories:

- Men's Physique
- Muscular Men's Physique

Rounds

Men's Physique consists of the following three rounds:

1. Prejudging: Elimination Round (Quarter Turns)
2. Prejudging: Round 1 (Quarter Turns)
3. Finals: Round 2 (Individual Presentation and Quarter Turns)

Prejudging: Elimination Round

Elimination Round Procedures:

An Elimination Round will be held when there are more than 15 competitors in a category. IFBB ELITE PRO Chief Judge decides if the Elimination Round will be necessary. The Elimination Round will be carried out as follows:

1. The entire line-up is brought onstage, in numerical order and in a single line or two lines, if necessary.
2. The line-up is divided into two equal-size groups and is positioned onstage so that one group is to the left of the stage; the other group is to the right of the stage. The center portion of the stage is left open for comparison purposes.
3. In numerical order, and in groups of not more than ten competitors at a time, each group is directed to the center-stage area to perform the four quarter turns.
4. The IFBB ELITE PRO Chief Judge or Stage Director will direct the competitors through the four quarter turns, which are:
 - a. Quarter Turn Right
 - b. Quarter Turn Back
 - c. Quarter Turn Right
 - d. Quarter Turn Front

Note 1: Detailed description of the Men's Physique quarter turns provided in **Appendix 1** to this Section.

Note 2: Competitors will not chew gum or any other products while onstage.

Note 3: Competitors will not drink any liquids while onstage.

5. On completion of the quarter turns the entire line-up is reformed into a single line, in numerical order, before exiting the stage.

Prejudging and Finals: Attire for All Rounds

The attire for the Elimination Round and other Rounds (board shorts) will conform to the following criteria:

1. Competitors will wear an opaque, loose-fitting board shorts which are clean and decent. The colour and fabric of the shorts will be left to the competitor's discretion. Shorts may have geometric patterns and motives, but no inscriptions and cambered ornamentation. The shorts will cover the whole upper leg, down the upper point of the knee (patella). The use of padding anywhere in the trunks is prohibited.
2. No tight, lycra style shorts are allowed.
3. Personal sponsors logos are not permitted on the shorts; however a manufacturer's logo such is accepted.
4. Except for a wedding ring, competitors will not wear footwear, glasses, watches, earrings, wigs, jewellery, distracting ornamentation or artificial aids to the figure. Implants or fluid injections causing the change of the natural shape of any other parts or muscles of the body are strictly prohibited and may result in disqualification of the competitor.

The use of tans and bronzers that can be wiped off is not allowed. If the tan comes off by simply wiping, the athlete will not be allowed to enter the stage. Artificial body colouring and self-tanning products may be used provided that it is applied at least twenty-four hours prior to the Prejudging. Professional competition tanning methods (airbrush tanning, cabin spray tanning) may be used if applied by the professional companies and qualified personnel. Sparkles, glitter, shiny metallic pearls or gold coloring are prohibited whether applied as part of a tanning lotion or applied separately, regardless of who applied them on the competitor's body.

The excessive application of oil on the body is strictly prohibited; however, body oils and moisturizers may be used in moderation.

The IFBB ELITE PRO Chief Judge, or a delegated by him official, will have the right to make decision if a competitor's attire meets the criteria established in the Rules and an acceptable standards of aesthetics. The athlete may be disqualified if the attire doesn't meet them.

Prejudging: Assessing and Scoring of the Elimination Round

Assessment of the Elimination Round:

The same criteria used in judging Round 1 will be used as the judging of the Elimination Round.

1. At this time, the judges will be assessing the overall physique for the degree of proportion, symmetry, muscle contours and quality (density, bodyfat level) as well as skin tone. The scoring for the Elimination Round will proceed as follows:
 1. The scoring for the Elimination Round is carried out as follows:
 1. If there are more than 15 competitors, the judges shall select the top 15 by placing an "X" beside their numbers, using Form 1, entitled "Elimination Round (Judges)". IFBB ELITE PRO Chief Judge decides if the Elimination Round will be necessary.
 2. Using Form 2, entitled "Elimination Round (Statisticians)", the statisticians will transcribe the judge's selections onto this sheet and will then tally the judge's scores to select the top 15 competitors.
 3. If there is a tie between two or more athletes fighting to enter the top 15, the tied athletes will be brought back onstage, and will once again be directed through the four mandatory poses to break the tie.
 4. Only the top 15 competitors advance to Semifinals (Round 1).

Prejudging: Presentation of Round 1 (Quarter Turns)

Round 1 may not be held if there are 6 or less competitors in a category. Decision will be made by the Chief Judge and will be announced after the Official Athlete Registration.

Round 1 will proceed as follows:

1. All 15 semifinalists will be called onstage as a group in a single line and in numerical order. **If time permits**, each semifinalist will be introduced by number, name, and country. **Decision will be made by the Chief Judge, who will inform the Master of Ceremony or the Announcer.**
2. The line-up will be divided into two equal-size groups and will be positioned onstage so that one group is to the left of the stage; the other group is to the right of the stage. The center portion of the stage will be left open for comparison purposes.
3. In numerical order, and in groups of no more than eight competitors at a time, each group will be directed to center-stage area to perform four quarter turns. Performing quarter turns competitors stay motionless.
4. This initial grouping of competitors, and performance of the four quarter turns, is intended to assist the judges in determining which competitors take part in the comparisons of the quarter turns. Detailed description of the Men's Physique quarter turns is provided in **Appendix 1** to this Section.
5. All judges submit their individual propositions for the first comparison of the top five athletes to the IFBB ELITE PRO Chief Judge. Based on them, the Chief Judge will form the first comparison. The number of athletes to be compared will be determined by the Chief Judge but no less than three and no more than eight competitors will be compared at any one time.
Then the judges may be asked to submit individual propositions for the second comparison of the next five athletes, included competitors placing in the middle of the group. The IFBB ELITE PRO Chief Judge will form the second and the next comparisons till all competitors will be compared at least once. The total number of comparisons will be decided by the IFBB ELITE PRO Chief Judge.
6. All individual comparisons are to be carried out center-stage.
7. On completion of the last comparison, the entire line-up is reformed into a single line, in numerical order, before exiting the stage.

Prejudging: Scoring of Round 1

The scoring of Round 1 is carried out as follows:

1. Using Form 3, entitled "Judge's Individual Placings (Prejudging)", each judge will award each competitor an individual placing from 1 to 15, ensuring that no two or more competitors receive the same placing. The judges may use Form 4, entitled "Judge's Personal Notes" to record their assessment about each competitor.
2. The statisticians will collect Form 3 from the judges and will then transcribe each judge's placings onto Form 5, entitled "Score Sheet (Statisticians)". They will then discard two highest and two lowest scores (if nine judges) or one highest and one lowest (if less than nine judges) for each competitor, and will add up the remaining scores to produce a "Round 1 Subscore" and a "Round 1 Place". The competitor with the lowest subscore is awarded 1st place while the competitor with the highest subscore is awarded 15th place.
3. Should a tie occur in the "Round 1 Subscore", the tie will be broken using the "Relative Placement Method".

Note: The Relative Placement Method procedure:

Each individual judge's scores for the tied athletes will be compared on a column-by-column basis with a dot being placed on top of the number for the athlete with the lower placing. All nine regular panel judge's scores (except alternative judges) will be included in the tie breaking calculations. The number

of dots will be tallied for each of the tied athletes. The athlete with the greater number of dots will be declared the winner of the tie and will then receive the better placing.

4. The scores for the Prejudging will be used to place the top 15 competitors from 1st place to 15th place. The top 6 competitors from the Prejudging will advance to the Finals and will start the Finals with zero points.
5. The top 6 finalists will be announced just after the Prejudging.

Assessing of the Elimination Round, Round 1 and Round 2 (Comparisons in Quarter Turns)

All rounds are assessed using the following criteria:

1. Muscularity and body condition

The judge should first assess the overall male athletic appearance of the physique. This assessment should begin at the head and extend downwards, taking the whole physique into account. The assessment, beginning with the general impression of the physique, should take into consideration the condition of the skin and skin tone and also the hair. Judges will be looking for fit contestants who display proper shape and body proportions, combined with balanced muscularity and overall condition.

The judges are reminded that extreme muscularity and definition in the Men's Physique should be marked down, with exception of the Muscular Men's Physique. How to assess the Men's Physique quarter turns is explained in **Appendix 2** to this Section.

2. Stage Presence and Personality

Judges are looking for the contestant with the best stage presence and poise, who can successfully convey his personality to the audience and the athlete's ability to present himself onstage with confidence.

Finals:

The procedures for the Finals:

The top 6 athletes from the Prejudging advance to the Finals, which consists of a single round:

1. Round 2: Individual Presentation and Quarter Turns.

The attire for Round 2 is the same like in Round 1.

Note: *Competitors may use different shorts than in Round 1; however, they must still conform to the standards of taste and decency as described.*

Finals: Presentation of Round 2

Presentation of Round 2:

The procedures for Round 2 will be as follows:

1. The top 6 finalists will be called on stage, one by one, and will be introduced by number, name and country, individually and in numerical order and will walk to the front and centre of the stage. They will perform four quarter turns, with optional pose of hand in pocket or on hip, four fingers at the front of the body, finishing facing the judges. The competitor will then proceed to one side of the stage as directed by the IFBB ELITE PRO Chief Judge or Stage Director. How to perform and assess the Men's Physique Individual Presentation is explained in **Appendix 3** to this Section.
2. The top 6 finalists will be directed to the center of the stage, in a single line and in numerical order.
3. The IFBB ELITE PRO Chief Judge or Stage Director will direct the competitors, as a group, through the four quarter turns in numerical order and then in the reverse order.
4. The detailed description of quarter turns is provided in **Appendix 1** to this Section.
5. On completion of the quarter turns, the competitors exit the stage.

Finals: Scoring of Round 2

The scoring for Round 2 will proceed as follows:

1. The judges, using Form 6, entitled "Judge's Individual Placings (Finals)", and using the same criteria for judging as used during the Prejudging, will place the competitors from 1st to 6th, giving no two athletes the same placing.
2. The statisticians will collect Form 6 from the judges and will then transcribe the judge's placings onto Form 5, entitled "Score Sheet (Statisticians)". They will then discard two highest and two lowest scores (if nine judges) or one highest and one lowest (if less than nine judges) for each competitor, and will add up the remaining five scores and will write the total under the column marked "Round 2 Subscore". Points from the Prejudging (Round 1) are not taken into consideration in the Finals. Each competitor begins the Finals with "zero points".
3. Should a tie occur in the "Round 2 Subscore", the tie will be broken using the "Relative Placement" method applied to the athlete's "Round 2 Subscore" (see Article 9, Point 3).

Finals: Assessing of Round 2

Round 2 is assessed using the same criteria as detailed in assessing of Round 1. More details in **Appendix 1** to this Section.

The judges must ensure that this round is judged from a "fresh" perspective, ensuring that all competitors receive fair assessment based upon their body condition presented in this round.

Finals: The Award Ceremony

The top 6 finalists will be called onstage to take part in the award ceremony. The Master of Ceremonies will announce the number, name and country of the competitor in 6th place and will continue to the competitor in the 1st place.

The President of the IFBB ELITE PRO, or the top IFBB ELITE PRO official at the contests, accompanied by the other official(s) invited by him to take part in this Ceremony, will present the IFBB ELITE PRO Medals and/or trophies to the winners.

The finalists are obliged to remain onstage for a brief period of time for photographic purposes, and to follow the IFBB ELITE PRO Chief Judge or Stage Director commands. During the Awarding Ceremony, competitors are not allowed to display their country's flag.

Competitors are expected to accept their places, medals and/or awards and to take part in the Awarding Ceremony to its end (photo session). A competitor, who ostentatiously manifests his/her disapproval and/or leave the stage prior to the end of the Awarding Ceremony, may be disqualified.

APPENDIX 2:

HOW TO ASSESS THE MEN'S PHYSIQUE QUARTER TURNS

With the exception of the upper legs, which are covered by board shorts, the assessment should take the whole physique into account. The assessment, beginning with a general impression of the physique, should take into consideration the hair; the overall body development and shape; the presentation of a balanced, proportionally and symmetrically developed physique; the condition of the skin and the skin tone; and the athlete's ability to present himself with confidence and elegance.

The judges should favour competitors with a harmonious, proportional, classical male physique, good posture, correct anatomical structure (including body framework, correct spinal curves, limbs and trunk in good proportion, straight legs, not bandy or knock- kneed). Vertical proportions (legs to upper body length) and horizontal proportions (hips and waist to shoulder width) are ones of the key factors.

The physique should be assessed as to its level of overall body density, achieved through athletic endeavors and diet. The body parts should have a nice and firm appearance with a decreased amount of body fat but should have a "softer" and "smoother" look than in bodybuilding. The physique should neither be excessively muscular nor excessively lean and should be free from deep muscle separation and/or sharp striations. Physiques that are considered too muscular, too hard, too dry or too lean must be marked down.

The assessment should also take into consideration the tone of the skin. The skin tone should be smooth and healthy in appearance. The hair should complement the "Total Package" presented by the athlete.

The judge's assessment of the athlete's physique should include the athlete's entire presentation, from the moment he walks onstage until the moment he walks offstage. At all times, the Men's Physique competitor must be viewed with the emphasis on a "healthy and fit" physique, in an attractively presented, impressive "Total Package".

Judges are reminded that this is not a bodybuilding contest. The competitors should have shape to their muscle but not the separation, definition, very low bodyfat level, dryness or hardness that are seen at bodybuilding competitions. Any competitor who exhibits these features is to be marked down.

APPENDIX 3:

HOW TO PERFORM AND ASSESS MEN'S PHYSIQUE INDIVIDUAL PRESENTATION

The Men's Physique Individual Presentation is performed in the following manner:

- The competitor will walk to the center of the stage, will stop and perform front

stance, with optional pose of hand in pocket or on hip, finishing facing the judges.

- The competitor will then turn to his right and perform the left side stance.
 - The competitor will then turn to his right and perform backstance.
 - The competitor will then turn to his right and perform the right side stance.
 - The competitor will then turn to his right and perform the front position.
- The competitor will then walk to the line-up in the rear part of the stage.

The judges will be assessing each competitor on how well they display their physique in move. Competitors shall be assessed on whether or not they carry themselves in a graceful manner while walking to the stage. The pace, the elegance of moves, gestures, "showmanship", personality, charisma, stage presence, as well as a natural rhythm should play a part in the final placing of each competitor.
